Appraisals of Your Vintage, Antique & Collectible Items

TRINKETS & TREASURES AUGUST 20

How many times did you look at that pitcher that came out of Aunt Harriet's kitchen cabinet and wonder what it was worth?

Or the set of dishes from Grandma Smith? The jewelry box you were told came from France when the family came to the States?

Or that oil painting from Uncle Hank? He told you it was an original such-and-such but you can't remember who and the signature is illegible.

Now is your opportunity to find out. On August 20, the Historical Society will have an appraiser on hand to give you a non-binding opinion on the worth of your vintage, antique and collectible items.

Tickets are available for pre-sale and you can purchase tickets at the door. \$5.00 will allow you to show one to two items to the appraiser; additional items can be appraised for \$2.00 each.

If you are willing afterwards, we will interview you and take your picture for a Facebook feature!

POWER FROM THE PAST LEGACY PROJECT: 200 YEARS OF HOOSIER AGRICULTURE

Contributed by Karen Fritz

Northern Indiana Power From The Past's 2016 Antique Power Show will present a special Indiana Bicentennial Legacy exhibit showcasing 200 years of Hoosier farming.

Area residents are invited to contribute and assist with the exhibit which will transport visitors from 1816, the dawn of Indiana's statehood, and move them through 200 years of agricultural history.

The interactive display will be roughly divided into four segments representing 50 years each, and will demonstrate farm life, significant agriculture events, and technological advances surrounding Pulaski County and Indiana's agricultural heritage. The exhibit will be located in the 4-H Building on the showgrounds.

Organizers will accept items on loan to help illustrate the display. Exhibit items may include tools, machinery, equipment, signs, packaging, and other materials that will help illustrate 200 years of Indiana (and particularly Pulaski County) agriculture. Volunteers are also welcome to help man shifts for the display, including members of youth groups, clubs, churches, or individuals.

Anyone wishing to contribute items to the display, or volunteer may contact Chris Smith at 574-946-3026 (home) or 574-946-3712 (work), or email: catfishm@pwrhc.com.

Also assisting with the exhibit are committee members Don and Jean Rife, Jerry Scott, Chuck and Barbara Knarr, Josh Wilder, Robert Smith, and Linda Kroft.

The Northern Indiana Power From the Past (NIPFP) organizers have also enlisted the assistance of Pulaski County Historian Karen Fritz and agriculture history buff Brenda Gilsinger to help create the exhibit.

The Annual Northern Indiana Power From The Past show will run July 14 - 17 at the Winamac Town Park.
