Membership / Sponsorship Year 2024

It is time to renew or to begin a membership or sponsorship with the Pulaski County Historical Society. If you have an interest in history in general, and an interest in Pulaski County history in particular, this is the organization for you! The Society does not charge for services, programs, or admission to the museum. The only income available for museum displays and community programming comes through memberships, sponsorships, and donations.

The Society preserves the history of the county in a variety of ways.

- Managing the historical museum, including both a physical space and online access to *The Story of Us*
- Providing educational programs and monthly e-newsletters with local history
- Providing access to general history through the County Historian
- Partnering with the County Genealogist for access to family history

In the coming months, the Society will begin sharing profound and exciting news about the future of the historical museum involving a new location, improved displays, and programming that we hope will inspire increased knowledge and pride in Pulaski County's heritage.

To become more involved, send an email to info@pulaskihistory.net.

Your support of the Pulaski County Historical Society preserves the past for our future. Thank you!
